

We are Active!

Pack 98 is dedicated to a active Cub Scout experience with activities that capture the interest of boys yet are fun and engaging for the entire family. Our Cub Scouts learn essential skills for character development, citizenship, personal fitness, outdoor skills and awareness, and leadership and life skills.

Camping

On optional overnight outings several times a year, boys learn camping, hiking, cooking, knot tying, and outdoor skills and awareness. Pack 98 participates in many of the outdoor and camping opportunities offered through the Longs Peak Council and Cache la Poudre District.

Who we are

We are families that live mostly in Fort Collins. Our scouts attend many schools including Shepardson, Liberty, Rivendell, Riffenburgh, homeschool, and more.

How we are organized

Our pack is about 70 scouts organized into dens. Each den has 5 to 10 scouts of the same grade level. Dens are a great way to make and stay in touch with friends. Boys may join at any grade.

- Kindergarten – Lions
- 1st grade – Tigers
- 2nd grade – Wolves
- 3rd grade – Bears
- 4th grade – Webelos
- 5th grade – Arrow of Light

Our leaders are both mothers and fathers. All parents are welcome.

Meetings – Dens generally meet one evening a week. Scouts do activities toward requirements for rank advancement or electives. Parents sometimes take turns organizing the den meetings. Pack meetings are one evening a month, and feature award recognition and fun activities.

What Pack 98 is not

Day Care – Even if you don’t want to volunteer to lead activities, you should attend the meetings and events with your son. Our activities are parent & son oriented.

Particularly Religious – Scouting embraces all religions and offers achievement awards for learning about 25 of the world’s religions.

Overly Strict – Boys generally like wearing the Scout uniform, and we’re not too fussy about it.

Exclusive – We welcome boys and families of all backgrounds.

Achievements

One of Scouting’s biggest benefits is the structured exposure to skills and practical knowledge needed in family, career and community. Many of our projects in Pack 98 help boys earn recognition for their achievements in many different skills and activities.

Cub Scouts earn recognition for completing “adventures”, which are theme-based activities and learning experiences. The adventures are age-appropriate and progressive in nature. As Scouts progress through the Cub Scout program, the activities and learning required becomes increasingly more challenging, helping scouts gain skills to become responsible and independent, and thus preparing them for the Boy Scout program.
